CTLC and SH BELL form Strategic Alliance

New Orleans, LA & Pittsburgh, PA

Consolidated Terminals and Logistics Co. a Division of CGB Enterprises, Inc., headquartered in Mandeville, LA and S.H. Bell Company based in Pittsburgh, PA are pleased to announce a unique Strategic Alliance which encompasses cooperative sales and marketing of barge, truck, rail, container and ocean freight logistics - along with bulk and breakbulk commodity handling, processing, and warehousing in the metals, minerals, and ferro-alloys markets.

Consolidated Terminals and Logistics Co. (CTLC) is an asset-based company providing logistics solutions both domestically and around the world. Services include providing customers with ocean freight, vessel stevedoring, transportation via barge, rail, truck, and container - as well as bulk and breakbulk commodity storage and terminal services through its network of inland river and rail served locations on the Mississippi, Ohio, Illinois and Arkansas rivers. CTLC provides a "seamless journey" for its customers' commodities with a lower rate of shrinkage, reduced vessel and barge demurrage, increased efficiency, shipment tracking, and more choices between modes of transportation.

S.H. Bell Company (SH Bell) is a family-owned company that has been in business since 1933, and whose core business is providing handling, storage, processing, packaging and record keeping services for the metals industry. S.H. Bell's global customer base is comprised of producers, traders, and consumers of metals, minerals, ferro-alloys, and semi-finished industrial materials. SH Bell offers the highest quality of service through its facilities strategically located in Pittsburgh, PA/ East Liverpool, OH and Chicago, IL areas.
